

Joe H Hollander

✉ joe.h.hollander@gmail.com ☎ (802) 233-0910 📍 185 Rye Circle, South Burlington, VT 05403

Passionate and motivated high school student with a strong interest in finance, mathematics, and their intersection. Always eager to learn more and collaborate with others.

EDUCATION

South Burlington High School
Current GPA: 3.99/4.0, PSAT: 1520/1520, SAT: 1540/1600

South Burlington, VT
August 2022–Present

Relevant Coursework: AP Calculus BC (Exam Score: 5/5)

University of Vermont
GPA: 4.0/4.0

Burlington, VT
July 2024

Relevant Coursework: Calculus III (Multivariable Calculus)

PROJECTS

KAGGLE COMPETITIONS

- Participated in Kaggle competitions, most recently placing in the top **25%** of over 3000 participants in the Podcast Listening Challenge
- Applied data cleaning techniques, including imputation, dimension reduction, normalization, and feature engineering, to enhance model performance
- Implemented and optimized machine learning models including Random Forest, Clustering, and Ensemble methods for competitive prediction challenges
- Created insightful data visualizations using Matplotlib and Seaborn

OPTIONS PRICING MODELS

- Implemented the Black-Scholes model in Python to calculate theoretical values of European options with precision
- Developed interactive visualizations demonstrating how changes in underlying prices affect option valuations
- Created graphical representations of simple option strategies to analyze risk-reward relationships
- Built Binomial Tree models to accurately price both American and European style options

CRYPTOCURRENCY DATA COLLECTION

- Engineered a data collection system using Websocket and REST APIs to gather comprehensive second-by-second market data from the Kraken exchange
- Developed asynchronous Python functions to process and display real-time orderbook data and market statistics
- Optimized data storage solutions using Parquet file format, Git version control, and Docker containers

SKILLS

- **Programming:** Python 3 (NumPy, Pandas, Matplotlib)
- **Data Science:** Machine Learning (Scikit-learn, LightGBM, XGBoost)
- **Software:** Git, Docker, Parquet, LaTeX

AWARDS & ACHIEVEMENTS

- **National Merit Semifinalist:** Perfect PSAT score
- **1st Regional Prize in the Vermont High School Prize Examination:** State-wide math exam (May 2024)
- **7th Place Individual Award Math League:** State-wide math competition (2025)
- **SBHS High Honor Roll:** All's A's for the entirety of high school

EXTRACURRICULAR ACTIVITIES

- Math League Champions (2022-2025), Captain (2025)
 - Varsity Ultimate Frisbee (Spring 2024, 2025)
 - Varsity Soccer (Fall 2024)
- Club Soccer (2017-2025), Captain (2025)
 - Ping Pong Club President (2024-2025)
 - Math Tutoring (~30 hours)
